SECRETARY.

LORD HARTINGTON replies to our despatch of the 8th June* about Zanzibar and Muscat affairs. He agrees that no overt notice need be taken of the alleged negotiations between Burghash and Turki for reunion, until called for by some definite proposal from one or other of the Sultans.

It appears from the enclosures to his despatch that Her Majesty's Government is likely to continue the half payment of the Muscat subsidy, which removes a difficulty from our path.

I think no orders are required on this despatch. Our letters to Colonel Ross and Dr. Kirk, of the 12th April and 27th May (Nos. 181 and 186 of Secret, June 1880) are sufficient.

No. 170.

No. 33, dated India Office, London, 20th August 1880.

From—Secretary of State for India,

To—Government of India.

I HAVE to acknowledge receipt of Secret letter from the Government of Your Excellency's predecessor, No. 123, of the 8th June last, containing the views of the Government of India on the negotiations reported to have been commenced at Zanzibar, having for their object the abdication of Syud Turki of Muscat, and the reunion of the two principalities under the rule of Syud Burgash; and also drawing attention to existing arrangements in respect to the Muscat subsidy.

2. Her Majesty's Government agree with the Government of India in considering that the project in question is one which should not be entertained, although it is not necessary to take any overt notice of the negotiations either at Muscat or Zanzibar, until called for by some definite proposal from one or other of the Sultans.

3. Your Excellency in Council will observe, from the enclosed copies of papers, that the question of the Muscat subsidy has been referred to the Lords Commissioners of the Her Majesty's Treasury.

No. 171.

Dated India Office, London, 21st July 1880.

From—SIR LOUIS MALLET, C.B., Under-Secretary of State, India Office,

To—LORD TENTERDEN, Under-Secretary of State, Foreign Office.

IN continuation of my letter of the 28th of April last, I am directed by the Marquis of Hartington to forward herewith, to be laid before the Secretary of State for Foreign Affairs, copy of a letter from the Government of India, expressing their views on the negotiations reported by Dr. Kirk to have been commenced between the Sultans of Zanzibar and Muscat, having for their object the abdication of Syud Turki of Muscat, and the reunion of the two principalities under the rule of Syud Burgash of Zanzibar.

The Government of India, it will be seen, are decidedly opposed to any such project, but are of opinion that no overt notice should be taken of the negotiation either at Zanzibar or Muscat, until it is called for by some definite proposal from either of the Sultans, when the opposition of the British Government should be intimated in decisive terms.

Lord Hartington sees on reason to take a different view from that recorded by the Government of India, and, if Lord Granville concur, he proposes to inform that Government accordingly.

The observations of the Indian Government, in the last paragraph of their letter relating to the Muscat subsidy, are no doubt based upon the letter addressed to the Foreign Office by the Lord Commissioners of the Treasury, under date the 18th January 1877, in which it was intimated that the annual payment from Imperial revenues on that account would be limited to a period of three years, *i.e.*, to the 31st of March 1880.

As however provision to meet the charge in question has been made in the Parliamentary Estimates for the current year, Lord Hartington hopes that there is no intention at present on the part of the Treasury to propose any change in the existing arrangements, under which the subsidy is defrayed in equal portions by the Imperial and Indian Exchequers. As Lord Granville is aware the continuance of this contribution from Indian revenues is entirely dependent on that of the Imperial Government, and the effect of its cessation

would be to impose upon Her Majesty's Government the obligation of enforcing its payment by the Sultan of Zanzibar, with whom, under Lord Canning's award of 1861, the liability for payment rests.

No. 172.

Dated Foreign Office, London, 9th August 1880.

From—SIR JULIAN PAUNCEFOTE, Under-Secretary of State, Foreign Office,

To—SIR LOUIS MALLET, C.B., Under-Secretary of State, India Office.

I HAVE laid before Earl Granville your letter, with its enclosure, of the 21st ultimo, relative to the question of the abdication of Syud Turki, and the reunion of Muscat with Zanzibar under the rule of Syud Burgash, and I am now directed by His Lordship to state to you, for the information of the Marquis of Hartington, that he concurs in the communication which it is proposed to address on this subject to the Government of India.

I am to add that Lord Granville has caused that portion of your letter which relates to the Muscat subsidy to be referred to the Board of Treasury.
